WEB (Where Everybody Belongs) is an orientation program designed to welcome our incoming 6th graders so that they get off to a great start at Landrum Middle School!

When your student participates, they will be placed in a small group with trained 8th grade leaders who will serve as guides and mentors throughout the year to lead them through the transition to middle school.

This orientation is for students only. A parent information session will be held the same day from 11:00-11:45. Meet the teacher night will be August 8th from 1-3 PM, and will offer families the opportunity to walk the halls and meet your student's teachers.
