

TESTING UPDATE...REQUIRED FSA/EOC PRACTICE ASSESSMENTS

Families, please note that students are required by state to take their FSA/EOCs on campus when spring testing begins.

Schools have also been required to practice computer-based and paper-based assessments to help students practice the testing tools and format.

Beginning **February 21 through March 4th**, students will be conducting practice **paper-based assessments** in 6th grade classrooms for FSA ELA Reading, Writing, and Math. This year State has also required 8th Gr. PBT Science (NGSSS).

Beginning **February 24 through March 8th**, students will be conducting practice **computer-based assessments** during their classes for FSA Writing, FSA Reading, FSA Math, Algebra 1 EOC, Geometry EOC, and Civics EOC.

If a student is quarantined, students can practice from home. However, students **must confirm** with their teacher that they have completed their practice by completing a form.

See the PDF attached called “Absent/New Student Confirmation” for your reference if you have any issues with Schoology. This is ONLY if your child is absent, or a student enrolls AFTER practice testing sessions have been completed by their teachers.

Thank you for your support in this matter and if you have any questions, feel free to contact Mrs. Ruth Cortés, Assistant Principal/Testing Coordinator or Mrs. Christine Baccari, Testing Support Aide.
