

## Spring Testing

The testing window for **FAST Writing** is April 3-21. This test will be field tested in select school only. More information will be posted if Swiss is selected to participate in the field test.

The testing window for **FAST Reading and Mathematics** (Progress Monitoring 3) will be May 1-25. More information to about FAST assessments can be found on the FAST and EOC tab of the LMS Testing website.

The testing window for **EOC courses** (Civics, Algebra, Geometry and Biology) is May 1-25. Students who are in 7<sup>th</sup> or 8<sup>th</sup> grade Algebra will not take the FAST Math assessment and will take the Algebra EOC. Students in 8<sup>th</sup> grade Geometry will not take the FAST assessment and will take the Geometry EOC. More information on test design and summary can be found here [End-of-Course \(EOC\) Assessments \(FLDOE.org\)](https://fldoe.org/assessment/EOC)

The testing window for the 8th grade **Statewide Science Assessment** is May 8-19. This test is the only paper-based assessment.

There will be no **District Final Exams** for middle school courses.
