

Summer Reading 2021---Landrum Middle School

Summer reading encourages and fosters a love of reading. Choose any 3 books from the current or past Sunshine State Young Reader Awards lists. For each book read, the form located on the Landrum website should be completed and returned to your ELA teacher in the fall. Students who read three books is rewarded with five (5) PBIS cards and may be used in the cafeteria, saved to be entered in drawings throughout the year, and much more. In addition to PBIS cards, Ms. Gill and Ms. Umlauf offer incentives throughout the year for reading SSYRA novels. Incentives include an ice cream or pizza party, goodie bags, book tags, library lunch preference, and more! It is our hope that students will choose books for reading enjoyment based on personal preference or interest. Parents, reading with your child is a great family activity and promotes healthy reading habits. Please join us in fostering your child's love of reading!

SSYRA Books
2021-2022
SSYRA SSYRA
Grades 6-8

How many will you read???
